NextFest

Hands on workshop on Nextjs

Event After Report

Post-Event Report Executive Summary

Event Name: NextFest: Hands on workshop on Nextjs

Organizer: WebWeavers, MIET Student Chapter

Dates: June 1, 2024

Venue: Audi 3, Raman Block

Number of Participants: 100+

Total Expenditure: Rs. 12,934

Introduction

On **June 1, 2024**, the Audi-3 was swept up in an atmosphere of unforgettable excitement as the WebWeavers orchestrated the "**NextFest: Hands on workshop on Nextjs.**" This vibrant event, hosted at Audi-3, drew 100 members from various departments. It is a day etched in the memory of all who took part.

Location and Venue

The **Audi-3** at Raman Block, with its lively ambiance and dynamic energy, was the ideal setting for a day filled with thrilling challenges and activities. It became the heart of the adventure, providing a vibrant backdrop for the memorable event.

Program and Highlights

NextFest: Hands-On Workshop on Next.js was a multifaceted experience that surpassed all expectations. Attendees embarked on an engaging journey, diving deep into the world of Next.js and its practical applications. This event featured a series of enriching activities designed to enhance participants' skills and knowledge in web development. The workshop began with an **Introduction to Next.js Framework**, where participants learned the core concepts and benefits of using Next.js. This session laid the groundwork for the rest of the day, ensuring everyone had the essential knowledge needed for the hands-on projects.

Event Progress

1. Participants at the **NextFest: Hands-On Workshop on Next.js** embraced the challenge with infectious enthusiasm, delving into the world of Next.js with a sense of adventure. Their determination, coupled with collaborative efforts from members, fostered an unforgettable sense of camaraderie and excitement. The atmosphere buzzed with anticipation as members navigated through the workshop's activities, pushing the boundaries of their problem-solving abilities.
2. As the workshop unfolded, participants encountered exhilarating challenges and obstacles that tested their understanding of Next.js and their ability to apply it in practical scenarios. The workshop venue transformed into a hub of exploration, where every task presented a new opportunity for learning and discovery. These moments of triumph and shared achievement created lasting memories, strengthening the bonds between participants and amplifying the collective spirit of the event.

Winner Announcement

In the end, Winners at NextFest witnessed an exhilarating culmination as the top performers emerged victorious. Their remarkable performance earned them a well-deserved Trophies and certificate.

Furthermore, individual accolades were awarded to the top performers:

- **1st Winner:** Simran Sehgal (2nd year – CSE)
- **2nd Winner:** Keshav Garg (1st year – CSE-AIML)
- **3rd Winner:** Jatin Raghav (1st year – CSE-AIML)
- **1st Runner Up:** Khushi Gupta (2nd year – CSE)
- **2nd Runner Up:** Himanshu Kumar (2nd year - CSE-

These five winners were celebrated for their outstanding contributions to the success of the event, showcasing their skills and dedication in the competitive environment of NextFest.

Felicitations of Winners and Coordinators

1. Following the NextFest event, the organizers and coordinators were honoured for their unwavering commitment and hard work in orchestrating an event that left an indelible mark. Dr. Mukesh Rawat, Head of the Computer Science and Engineering Department, presided over the felicitation, extending his heartfelt congratulations to the event team for their outstanding efforts. This acknowledgment, presented by Dr. Mukesh Rawat, the Head of the Computer Science and Engineering (CSE) Department, highlighted the integral role played by the organizers in ensuring the event's resounding success.
2. Their tireless efforts and meticulous planning were warmly applauded, underscoring the collaborative spirit that made the event possible. This moment of recognition served as a testament to the dedication and teamwork of the event organizers, fostering a sense of camaraderie and accomplishment among all those involved in making NextFest a memorable experience.

10. Shruti Sharma
11. Rishika Yadav

Attendee Survey

The event also included an attendee survey that involved the **100+**. **This** survey was designed to collect feedback and insights from the participants, enabling them to share their experiences and perspectives.

The feedback obtained from the survey will play a pivotal role in shaping future events, ensuring they continue to captivate and engage the student community. The participants' input is invaluable in steering the direction of future Treasure Hunts.

Financial Statistics

The NextFest event incurred various expenses totaling Rs. 13,000. These expenses covered venue rental, equipment rental, marketing and promotion costs, refreshments, and miscellaneous expenses. Despite these expenditures, the event was successfully organized and executed, providing valuable learning experiences and opportunities for all participants.

Final Report

1. The NextFest event at MIET College stands out as the most unforgettable event in recent memory, leaving an indelible mark on the campus. It provided students with a dynamic platform to showcase their talents, problem-solving abilities, and teamwork, all while forging lasting connections with their peers.
2. MIET College eagerly anticipates the return of NextFest in the upcoming years, striving to make each edition even more exhilarating and memorable, building upon the success of this year's event to create even greater opportunities for learning, networking, and growth in the field of web development.
